

Competition Cheer Team 2018 Commitment Contract

Dear Cheerleaders and Parent(s),

The 2018 Central Saints coaching staff and the Saints Board of Directors are excited to share with you our plan to extend our program to include the competitive world of cheer.

This season, our Novice, JV and Varsity squads will be expected to attend two (2) mandatory cheer competitions. In addition, participants will have an opportunity to attend JAMZ Nationals competition in Las Vegas. If your cheerleader chooses not to participate in Las Vegas Nationals an explanation letter will be required.

JAMZ Nationals in Las Vegas (OPTIONAL) Pending qualifying at one of the two competitions listed

PRACTICES:

Practices will be required for the TVYFL and JAMZ Regional competitions, WE need everyone at these practices. Practice schedule will be handed out once ready. Once practices begin your cheerleader must attend, this is a team effort and each part must be practiced together.

TEAM FUNDRAISING OPTIONS:

Optional team fundraising opportunities will be available for all cheerleaders. Any family opting to fundraise will be required to participate in ALL organized endeavors offered to the collective body. Additional fundraising information will be provided at a later date. Once fundraising has begun there will be a cutoff date to opt in.

BUY OUT OPTION:

If you decide to opt out of fundraising, the parent will be responsible for the full cost of ALL expenses for his/her cheerleader(s). A Buy Out option will be offered and will be due one month prior to Nationals Competition date. A payment plan can be arranged.

FUNDRAISING NON-PARTICIPATIONBUY OUT:

Once opting to fundraise, participation is mandatory. If you are unable to commit to participation a buy out amount will be determined based on amount raised per cheerleader up to that point.

JAMZ Nationals (Participation is optional)

If interested in JAMZ Nationals, it is highly recommended to join fundraising efforts (by a date that will be announced later) to take advantage of and be involved with the fundraising opportunities which will begin at the beginning of the season.

Anyone who commits to competition after the fundraising efforts have begun, must do so using the Buy Out option. The cheerleader will not be eligible to take advantage of the fundraising in progress if he/she has not participated at the beginning of the fundraising efforts.

The final decision of a cheerleader to participate at Nationals must be placed in writing by the first practice of the week following the second competition (JAMZ Regionals).

In order for any team to be eligible for Nationals, the team must first qualify at either the TVYFL Competition or the JAMZ Regional Competition.

After JAMZ Regionals and upon qualifying, the Saints Cheer coaches will review the attendance and/or any disciplinary actions noted throughout the regular season for each cheerleader to determine eligibility for Nationals. Ant cheerleader, who has missed more than 3 practices and/or 1 game day or has been noted on a step process, may be ineligible based upon the decision of the Head Coach, Cheer Coordinator, and Saints Board.

In the event that the Saints do not qualify for Nationals, all fundraising will be placed into a competition fund for the following year.

Why commit to Competition Cheer? Your cheerleader can take his/her skills and hard work to the next level.
